

Remarks

Since issuance of the Notice of Allowance, an error in antecedent basis has been found in claim 6. Specifically, claim 6 has been amended to state that --the resilient contact has a second elastic plate portion that extends away from the base plate--. This language corrects antecedent basis and agrees with the language on page 9, lines 9-17 of the specification. Approval and entry of this amendment by the Examiner is respectfully requested.

Please charge any fees associated with this amendment to Deposit Order Account No. 501581.

Respectfully submitted,
Shirai et al., Applicants
